**Crichton Blyth CHRISTIE**

My principal place of residence is not in the Denby Ward area.

As your committed advocate I will continue to proudly represent Denby in council.

I am an experienced councillor and an owner/operator of a local business, life member of both Northland and NZ Hockey, chairman of my children's school board of trustees and a founding member of Sport Northland.

I will encourage growth in the region by making it easier for those with enterprise and initiative to develop and invest in our local economy, but still protect our distinct and irreplaceable environment.

My pledge to you is to put your needs and concerns first, to act unbiased at all times and approach issues with an open mind. I will encourage the community to have a say in how their money is spent, and will listen to your needs and aspirations.

I want to keep moving forward to enhance our city's infrastructure.

For a strong voice on council, vote Crichton Christie.

**Tricia CUTFORTH**

My principal place of residence is in the Denby Ward area.

I'm asking you to re-elect me so I can build on the positive changes that I have helped achieve in the last 3 years.

I stand for: valuing our own arts, culture, heritage. Successfully championed the Bank Street revitalisation project.

I actively promote local projects that are authentic and genuine; that truly represent Whangarei Terenga Paraoa, Our Place. I totally support the planned Hihiaua Cultural Centre.

More democracy, not less. Consistently advocated for more transparency and rigour in Council decision-making. Fewer 'pre-meeting meetings' and more public workshops.

Small wins, big gains. Helped the Otangarei community to get a long awaited public toilet. Initiated an employment scheme as part of Council's cycleway building programme. Working hard on making Whangarei's bus transport system more user-friendly.

I'm born here. I live in the Denby Ward. I offer you a strong voice in Council.

For the future of Whangarei - vote Cutforth.

Go - Whangarei

My principal place of residence is in the Denby Ward area.

Together with the three Go-Whangarei candidates standing in the Denby ward, Whangarei is my home.

Raised in Whangarei where my family have been in business since 1981, I attended Kamo High School and later became qualified as a dental nurse and hair stylist. Travelled to London where I owned and managed two Toni & Guy salons, worked in the film industry and travelled the world, and 13 years later returned home with my family.

For the past 10 years I have enjoyed being a mum, running my own boutique salon in denby, and working at the Skin & Vein Clinic. I love running, gym classes, fishing and diving, and also have been enjoying helping North Haven Hospice.

I am proud of Whangarei, and as part of the Go-Whangarei team, we will stop rate increases, encourage free parking and cheaper rubbish collections, and remove the red tape.

TogetherTahi

My principal place of residence is in the Denby Ward area. I am also standing for Mayor.

Born in Whāngārei, I now live near my old primary school in Kamo, and work in town. I went to Whāngārei Boys' High, did a business degree at Waikato University, then lived in

Europe for a number of years before returning home in 1998.

We have an amazing district and being part of our community is important to me. I'm chair of The Quarry Arts Centre and on the BoT at Kamo Primary, and hope to continue contributing as a councillor. Our greatest resource is our people - I want to hear your ideas about what we need to live well in Whāngārei now, and in the future.

I'm part of TogetherTahi. We believe our council should reflect the diversity of our community, be more open about its decision-making, and encourage wider participation in conversations about how we can make our district a great place for everyone who lives here.

I whānau mai au ki Whāngārei, kei te noho tata atu au ki taku kura tuatahi inaianei, ara, te kura nohinohi o Kamo, kei te mahi au ki te taone. I kuraina au ki te kura tamatāne o Whangarei, he pākihi tohu mātauranga tāku nā te whare wānanga o Waikato, ā, i noho au ki Europe i nga tau I mua, Kātahi au ka hoki mai ki tōku turangawaewae.

He takiwā mīharo tō tātau, ā, he mea nui te iwi ki ahau. Ko au te kaiwhakahaere o The Quarry, ā he mema au hoki o te poari Kaitiaki ki te kura tuatahi o Kamo, ka mahi tonu au ki te tautoko hei mema o te kaunihera nui. He aha te mea nui o te ao he tāngata, Na reira homai o koutou whakaaro kia rongo ai kia oratahi ai tatou inaianei tonu, a, hei ngā rā kei mua I te aroaro.

**Don ROBERTSON**

My principal place of residence is not in the Denby Ward area.

A former Detective and now a general manager specialising in Education and Employment. I'm currently the Chair of the Kamo Intermediate School Board and a Board Member at WBHS, and was previously Chair of Glenbervie School Board. I was an elected member of the Whangarei District Council in 2001-03. I'm well connected with the Denby Ward and passionate about the future of the District. If elected to Council, I'll work hard to create 300 new jobs to enhance the economic viability of businesses in our region and add value to our products and services.

I believe that the Kamo and Tikipunga areas are missing out on the development of better community services and the creation of the Kamo Village that seems to have slipped off the Council radar, I want to revisit and revitalise these projects. I'd like you to support me to take this opportunity to enhance our community.

Thank you Denby Ward residents for your last six years support. It's been great being part of developments in: Sportsfields; Whangarei Falls; Kamo Walkability plan change; Whau Valley

shops and some long awaited Otangarei development.

The next three years will be exciting as we continue essential infrastructure development around our considerable housing and residential aged-care expansion, as well as enhancing our CBD and Town Basin.

I want to continue being your District Councillor.

I have a strong background in agribusiness management, tertiary teaching, residential property and now growing Avocados. I perform a number of community governance roles, am active in Kamo Community Inc and Tikipride, and am currently Whangarei's District Licensing Chairman.

I offer demonstrated community commitment, financial prudence, a balanced common sense approach, planning and development experience, big picture thinking and ongoing commitment to improving safety of our streets and roads.
